Greetings,

The Baltimore Philharmonia is seeking community members to serve on its board of directors. We are a community service organization based in Towson and have enjoyed serving the greater Towson/Baltimore community since 1998. We provide fun family friendly concerts free of charge to the public, making our presentations accessible to all. We also offer partial scholarships to high school students, who are furthering their musical studies. Our orchestra is comprised of professional and amateur musicians who volunteer their time and talent. Our board of directors meets via zoom bi-monthly, requires little time commitment, and entails no financial commitment. If you wish to be a part of our efforts, Please contact me directly at 410-215-9174 or at pravita@baltimorephilharmonia.org.

Kind Regards,

Dr. Philip Ravita, DMA

The Y in Central Maryland

Impact Baltimore City & County Youth: Host an Intern this Summer!

History:

For the last 20+ years the Y in Central Maryland has been impacting the lives of youth experiencing homelessness in Baltimore City and County, in part through our New Horizons II program: a seven-week summer program offering life-skills development, academic enrichment, workforce experience and college access. The program provides a positive, supportive, safe and educational experience.

Operated virtually through partnerships with Baltimore County Schools, Baltimore County Department of Economic and Workforce Development, Baltimore City Public Schools, and Baltimore City's Mayor's Office of Employment Development, youth work up to 25 hours per week and earn \$11.75 per hour. These partnerships allow us to provide a summer of safety, support and critical life skills for these inspiring young people.

The worksite supervisor will:

- Assign a supervisor that will be assigned to supervisor and support participants each day.
- Provide an enriching work experience for students to report to work Monday-Friday between the hours of 11:30 am – 4:30 pm beginning July 6th – August 11th.
- Identify skills that youth will learn from during the program. Upon completion, evaluate the participant's skills and abilities gained during the summer.
- Complete weekly timesheets.
- Attend a worksite orientation (dates TBD)

We look forward to partnering with you to provide an enriching employment experience for the youth that are enrolled in our New Horizons II program.
