College of Health Professions New Building Town Hall

Date/Time: 09/29/2022 09:00 AM - 10:30 AM

Location

StarTUp at the Armory or Virtual
307 Washington Ave.
Towson, MD 21204

[Register](#)

Join our College of Health Professions Dean, Dr. Lisa A. Plowfield and University Architect, David Mayhew for a virtual tour of the new building.

The morning town hall will provide an overview of the building and the impact it will have on campus, in the community, the region and beyond. Learn more about opportunities for you to make a difference. We will wrap up the event with audience Q&As.

When it opens in 2024, the 240,000-square-foot building will house almost all of the health professions programs under one roof, including the state's only accredited occupational therapy program and Maryland's second-largest baccalaureate nursing program. Its state-of-the-art facilities will expand high-tech simulation opportunities, and its collaborative spaces will strengthen interprofessional education.

TU is already the largest provider of health care professionals in Maryland. This building will even better position the university to fill the 23,000-person gap in the state's health workforce.

Join us in person or virtually. A link to the virtual event will be sent closer to September 29th to all virtual attendees.
