Dear Members and Friends of the Chamber,

In 2025 the Towson Chamber of Commerce will be reaching its 60th year of service to the Towson Community! It's truly remarkable to see how much the organization has grown over the years, now boasting over 300 members. The dedication of the members, Board of Directors, volunteers, and staff has undoubtedly played a significant role in enhancing Towson and improving the lives of those who work, visit, and live in the area.

The Chamber's commitment to fostering a higher quality of life for the community is commendable. By working together towards a common goal, we have made a lasting and positive impact on the area. It's apparent that the Towson Chamber of Commerce has become an essential pillar in the local community, contributing to its growth and development.

We will continue our efforts to make an undeniable mark on the community. Here's to many more years of service and achievements in improving and enhancing Towson!

It's also inspiring to see the members of the Towson Chamber of Commerce's commitment to excellence and dedication to preserving long-established community programs and traditions. These events, like the Towsontown Spring Festival, Towson Gardens Day, 4th of July Parade and Race, Towson Farmers Markets, Towson "WinterFest" and others, have become integral parts of the community's identity and contribute to its vibrancy and unity.

The array of services provided to members, such as monthly breakfasts, cocktail parties, and opportunities to meet local officials, demonstrates the Chamber's focus on fostering strong relationships and networking among its members.

The promotion of the "shop local" campaign and the 10% rule shows a genuine commitment to supporting local businesses and encouraging community members to invest in the local economy. By practicing what you preach and utilizing the services and products of your own membership,

the Chamber sets an excellent example for the community.

In 2025 we will become a Maryland Main Street designation. This will further open doors for our community to secure state grants and fund improvements in the Towson business community. It's evident that these efforts have led to various projects that enhance the area's aesthetics and overall appeal, such as over \$180,000 given to small businesses for façade improvements, continuing to expand the collection of artwork across Towson, and advertising and promotion for businesses.

We pressure wash sidewalks twice a year, and we will be refurbishing all the trash and recycle cans demonstrating the Chamber's ongoing commitment to the community's well-being and attractiveness.

We are truly grateful to Baltimore County and the State for the grants to continue hiring security guards in Towson to support the efforts of our wonderful Police Department.

Overall, the Towson Chamber of Commerce's endeavors are making a significant positive impact on the community. By fostering a sense of togetherness, supporting local businesses, and continuously improving the area's infrastructure and amenities, the Chamber will continue to play a vital role in shaping Towson's present and future.

President's Message

As I think about what it means to be in the role of President of the Towson Chamber of Commerce, I think about the continuous need to support our schools, businesses, residents, developers and civil servants in Towson. Towson is full of individuals who are the pillars of our community. The Chamber supports all of these stakeholders all while being your unwavering advocate, celebrating your success and being there when times get tough. I feel honored to be among like-minded persons who volunteer their time to bring events to our community, discuss issues and have skin in the game by operating their business right here in Towson. In the past few months alone, I have had the privilege of seeing several grand openings, but I have also witnessed leaders make tough calls when the time came. Believe it or not this is life and it is not always sunshine but together we continue to move forward.

Coming from a background of hospitality and in housing, I understand that when the customer or community speaks, we need to listen. They speak with their voices and their dollars. Addressing community issues and going above and beyond the expectation is something this group does well. We cannot overlook any issue, and when issues do arise, they are met with swift response and valuable opinions towards improvement. Thank you to our Executive Director, Nancy Hafford, who guides us every day focusing resources on what matters and making Towson shine. This year, another feather in her hat, Maryland Main Street Designation. This designation will help to make Towson stand out through street clean up, visible signage, increased lighting among other things that will impact the community. She focuses on Safety, continuously supportive and appreciative of law enforcement and she even brings together the community and government representatives and departments like Tourism for success right here in our small corner of the county.

While I personally look forward to warmer weather, the time is now to prepare for all the exciting events that will happen in 2025. Please take the time to consider being a part of one of our fantastic committees, hosting or sponsoring an event, or being more involved at the Towson Chamber. The benefits are tangible: you become closer with the people who are right next door, your voice is heard, and you gain customers, all in one place! Within the pages of this book are tons of strangers but it does not have to be that way - reach out and get involved.

This upcoming year promises to be a transformative one for all of us we are eagerly anticipate the introduction of new innovative ideas and strategic enhancements of programs we have in place. Stay tuned for an invigorated marketing campaign, more speakers at our monthly breakfasts, improved events, commitment to inclusion, and more.

I look forward to working with the Executive board and past presidents, because they are full of great ideas too. Thank you for entrusting me with the leadership of this remarkable organization. I am excited about what we will achieve together.

Sincerley,
Brandon Simpson, President

What is The Towson Chamber of Commerce?

The Towson Chamber is a nonprofit organization that has been dedicated to serving its members since 1964. The Chamber takes a leadership role in improving the Towson area's quality of life. The Chamber does this through promotion and support of our businesses, training and skill building, advocating for Towson on a local and state level, encouraging community involvement through events and activities, and contributing over \$100,000 a year to streetscape improvements.

Through the promotion and support of these areas, the Chamber is positioning our community for a bright and prosperous future. We strive to administer programs and projects that benefit our area not only now, but also for years, decades, and generations to come.

The Chamber does not do this alone. Hundreds of members and volunteers put forth countless hours to assist in the program of work for the Chamber, resulting in a community that is the envy of others in Maryland and outside our state's borders. The Towson area communities and our Chamber of Commerce pride themselves on their strong affiliations. Continual enhancement of these partnerships is made to develop a progressive and outstanding community in which to work and reside.

One of our key functions is to serve as a unified voice for Towson businesses, both at public hearings and as a representative to the other Towson groups which all share a common goal to assure planned growth in Towson. We strive to strengthen existing businesses as well as to help new ventures succeed. One way our Chamber promotes local companies is through the publication and distribution of an annual business directory. We also promote on our Chamber website and Facebook page, in addition to two other event websites and five Facebook event pages.

Another function of the organization is to coordinate and promote special events, which help to bring visitors to the Towson area. In turn, this provides us with the ability to foster Towson's close-knit community in our mission to make Towson the best place to live, work, and play.

All area businesses are encouraged to join the Towson Chamber of Commerce so their views and opinions can be expressed and to take advantage of the many networking opportunities available to members.
